

If you have recently moved to Brown County, please note the following:

NAME/ADDRESS

Correct records are important and will enable us to better serve you in the future. Please review your name and mailing address on any documentation you receive from Brown County. If they are incorrect, please call the Auditor-Treasurer's office at (507) 233-6613.

HOMESTEAD

New ownership or a change in ownership name(s) requires a new [homestead application](#). Please contact the Assessor's Department at (507) 233-6606.

REAL ESTATE TAXES

Tax statements are mailed once a year by March 31st. The first half tax is due May 15 and the balance is due October 15th or November 15th depending on the classification of the property. If you are unsure of the due date, whether the full year taxes have been paid, or if you need a copy of the tax statement, please call (507) 233-6613. *Failure to receive a property tax statement does not exempt the taxpayer from timely payment of taxes due.*

VOTER REGISTRATION

If your name and/or permanent residential address have changed since you last voted, you will need to re-register to vote before any future elections. The [voter registration application](#) available online is also available at Brown County Auditor-Treasurer's office and the License Bureau as part of the driver's license application. If you have any further questions, please call (507) 233-6614.

DRIVER'S LICENSE & OTHER COUNTY SERVICES

If you have moved, you must update your driver's license. Also, you may need to renew your motor vehicle registration, purchase a game and fish license, or renew a registration on a watercraft or all-terrain vehicle.
