Sheriff

Chief Deputy

Steve Appel
Jail Administrator

In an attempt to keep local business information current in our system for easy access any time we have an alarm or emergency at the location or if a deputy on duty finds suspicious activity at the location, we are asking for your help in updating our business file list. We ask that you list **at least** 2 contact people for each business in order to increase our chances of being able to contact someone directly in the event of an emergency. These people also should be available to respond to the scene in the event of an alarm or suspicious activity when requested. If no key holders respond or are unavailable, you will be contacted for further discussion of your alarms call(s).

Please complete the section below and mail or fax the form to our office at your earliest convenience. Please contact our 911 Coordinator, Gina Winter (Gina.Winter@co.brown.mn.us), with any questions.

Thank you for your help,

Sheriff Jason Seidl
