

## Licensed Family Child Care Records

Most of the family child care forms can be found on the **Minnesota DHS Family Child Care website:**

[Help for licensed family child care providers / Minnesota Department of Human Services \(mn.gov\)](#)

Once there, you will scroll down to the “**Forms and other documents**” .

-----

**Local Brown County forms:** There are a few local forms that we have that we require you to use. Those local forms are:

- Training Tracking Record
- Injury Report Form

**Other Local forms available on our website:**

- Enrollment Forms checklist
- Sample Provider Policy
- After-Hours Care
- Child Care Variance Policy
- Release of Information Form (recommended)

These forms are housed on our Brown County Child Care Licensing Website under Brown County Local Forms: [Brown County - Child Care Licensing](#)
