## For Immediate Release

**Date:** January 23, 2018  
**Contact:** Robert Santaella, Brown County Asst. Zoning Administrator  
**Phone:** 507-233-6642

### Brown County Permitting

The Brown County Planning and Zoning Office continues to offer permits online through our permitting website by RTVision at <https://permits.co.brown.mn.us>.

By using the online application residents will find flexibility in submitting permit applications since the website will be accessible all hours of the day. Residents can either create a personal account which will improve tracking of the applications they are working on and the permitting status for applications they have submitted or may continue to come into the office to apply for permits, starting in 2018 residents will again be issued a green placard that will need to be displayed in a visible location and remain in place until construction has been completed.

The permitting website allows residents to pay for their permits with their credit card, debit card, or ACH electronic check. A service fee of 2.5% for credit cards, 1.5% for debit cards, and \$1.95 for e-checks, will be added to the permit cost. The option to pay for permits by mailing in a check, or paying in person with cash or check, will continue to be available. Additionally, we will be accepting credit cards and debit cards in office.

You can contact the Planning and Zoning office at 507-233-6640 with any questions.
