COVID-19 Vaccine Clinic Update

Brown County Public Health will be adjusting their COVID-19 vaccine clinics.

- As of December 1st, 2022, the Public Health Department will only be offering COVID-19 vaccines by appointment. At that time, appointments will no longer be able to be made through the county's scheduling website, but by contacting the department directly at 507-233-6820.
- Appointments are still available on Tuesday, November 15th and Tuesday, November 29th from 2:00pm-5:20pm. Appointments are required and can be scheduled at www.co.brown.mn.us/covidvaccine.

COVID-19 vaccines are still available throughout the county at medical provider offices and pharmacies. In addition to local options, residents can find vaccine locations on the Minnesota Department of Health's website at [Find My Vaccine / COVID-19 Updates and Information - State of Minnesota \(mn.gov\)](https://www.health.state.mn.us/communities/populations/prevention/vaccines/COVID-19/updates).
