

Honor the memory of a Veteran who died from suicide.

The Minnesota Department of Veteran Affairs (MDVA) is working to end Veteran suicide. Sadly, in 2020, 100 Veterans died by suicide in Minnesota.

MDVA would like to talk to families and friends who lost a Veteran to suicide.

We believe that the information will help us end Veteran suicide in Minnesota.

For more information, visit MinnesotaVeteran.org or email SuicidePrevention.MDVA@state.mn.us
